

*It's more than just a job...
It's an experience that can help save a life*

American Red Cross Water Safety Instructor

Here are just a few of the many reasons to join our winning team –

- ◆ Have fun working in the pool with your friends and peers
- ◆ Gain terrific work experience as an aquatics professional
- ◆ Earn money, or join a volunteer team, while teaching people to swim
- ◆ Gain the respect of your peers
- ◆ Learn leadership and teaching skills that will help you in any career
- ◆ Make a difference in others' lives as well as your own
- ◆ Teach skills that may save a life

Each year the American Red Cross teaches more than 2 million children and adults to swim. Red Cross Water Safety Instructors are in demand throughout the country and certification is recognized nationwide, so you can work wherever you go.

Here's what you'll be able to teach as a Water Safety Instructor:
